# MANUFACTURING SUPPORT

## LIC and PA

- Computerized Ink Matching System
- Machine shop for parts fabrication and in-house repair of equipment
- Assorted envelopes and window dies
- Fork Lifts, Pallets, Roll Jacks
- Pallet wrapping machines
- Labeling machine - (Kirk-Rudy)

## C

- Large assortment of envelope and window dies
- Assortment of web tooling and window dies
- Automatic Box Tape Machines
- Electronic Inventory Management System
- Paper Roll Splicers on all webs
- Forklift and Roll Clamp Trucks
- Electric Pallet jacks an Scissor Truck
- Pallet Wrapping Machine
- Carton Label Printer, including bar code software
- Software for ink color mixing specs
